

The Macronix Product Longevity Program (MPLP) is designed to provide Customers with the availability of select Serial NOR, Parallel NOR and NAND Flash products for a period of up to 10 years, including an extended end-of-life (EOL) period of 1 year for notification, and an additional year for final shipment.

The Longevity Program includes most of automotive grade products. In case the product of interest is not currently covered by the program, please contact your local Macronix sales for support.

A list of MPLP part numbers is provided as below:

Note: Please contact Macronix if your demand is much longer than Longevity Support End Date.

Notice of MPLP

The Macronix Product Longevity Program (MPLP) is designed to provide availability of select Serial NOR, Parallel NOR and NAND Flash products for a period of up to 10 years. Macronix also provides an extended obsolescence notification period of 1 year (last order), and one additional year for final shipment(s) (last shipment) to customers who have placed order(s) within the last three years before the obsolescence notification date.

Longevity Program includes most of automotive grade products. In case the product of interest is not currently covered by the program, please contact your local Macronix sales for support.
